How To Use This Book?

Primary school is an exciting time for all – not just for the kids, but for parents, too!

In this book, you'll find 10 tips for parents—to help you and your child adjust smoothly to primary-school life. Each tip includes activities which you can do together.

As this is an e-version, you may want to download this and print it, and let your child write or draw on paper. If you prefer an environmental-friendly way, screenshot the pages, or download it and use a mobile application for your child to doodle on it.

With your child, pick the activities that you'd like to do. You don't have to do them all!

This hand tells your child what to do

Use an application and allow your child to doodle on it!

Activities Inside Include:

Pledge
Make promises and keep them

Boost
Every child needs encouragement

Thank
Show gratitude. It's a great habit

Create
Make something awesome together
